- 17 1. The MJ disposed of a motion to dismiss, a dispositive motion. The MJ has
18 no power to dispose of dispositive motions.
19 2. An appeal shouldn't have to be filed unnecessarily, as this should be
20 corrected by the DC.
21 3. AS FOR LDW's argument that I ultimately have no standing to file a
22 motion to dismiss, that does not undermine or alter the lack of jurisdiction
23 for her to dispose of a motion to dismiss (a dispositive motion).
